Drafting instructions from Rep. Vos's office 11/14:

Modify DOA's information technology and communication services self-funded portal appropriation from a continuing appropriation to an annual appropriation. Specify that DOA must submit to the Joint Committee on Finance an annual report on the administration of the self-funded portal. The specifications for the annual report on the administration of the self-funded portal should match the provisions that were approved by the Joint Finance Committee in ASA 1 to 2017 AB 64, §172.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

- 1 **AN ACT** *to create* 16.973 (15) of the statutes; **relating to:** an annual report on
2 the administration of the information technology and communication services
3 self-funded portal.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Administration contracts with a vendor to provide web-based technology services through a web portal to state agencies, state authorities, units of the federal government, local governmental units, tribal schools, individuals, and entities in the private sector. Revenue received from the fees charged for certain services provided through the self-funded web portal is disbursed as payment to the vendor.

This bill requires DOA to submit to the Joint Committee on Finance and the legislature by October 1 of each year a report on the administration of the self-funded portal. The report must include the following information: 1) a financial statement of state revenues and expenditures; 2) a list of services available; 3) fees charged for each service; 4) the activity level of each service; and 5) any other information that DOA determines is appropriate to include.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.973 (15) of the statutes is created to read:

16.973 (15) By October 1 of each year, submit to the joint committee on finance and the legislature under s. 13.172 (2) a report on the administration of the information technology and communication services self-funded portal. The report shall include the following information regarding the portal for the immediately preceding fiscal year:

(a) A financial statement of state revenues and expenditures.

(b) A list of services available through the portal, identifying services added since the previous reporting period.

(c) Fees charged for each service available through the portal.

(d) The activity level of each service available through the portal.

(e) Any other information the department determines to be appropriate to include.
